Vol. 1, No. 2

### President's Message

“There is no “I” in TEAM.” This is very true, in both our personal and professional life. At home, you may have a supporting spouse to help out around the house and help with the kids. At work, you may have a supporting project team to make the project manager's efforts seem seamless. This can also be applied to ASEM. The board members, committee chairs, and active members help to make my job as President very enjoyable.

On Thursday, April 21<sup>st</sup>, several members and guests attended the Harley Davidson Tour in North Kansas City Missouri. Everyone came out of the tour wanting to purchase a Harley, unfortunately no discounts were offered. After the tour, some of the members and guests went to lunch together before heading back to work. A special thanks goes out to Kelli Wade and Aaron Henton for helping with the tour. This was a great example of supporting team members.

On Sunday, May 15<sup>th</sup>, ASEM will have their annual Family Picnic. This year, we will be shaking things up a bit. ASEM has reserved lanes at the Northland Bowling Alley at 2pm. Next door to the bowling alley is a Family Fun Center with Miniature Golf and Go-Carts. After the bowling-extravaganza, everyone will meet at Chappell's for dinner. There will be plenty of activities for kids of all ages. Notices about this event will be out soon.

Alysen Abel  
ASEM-KC President
